The quiz asks questions to help users find their ideal NASA career.

5. About Us Page

This page describes the mission of Space Careers Matchmaker and how the algorithm works.

A screenshot of the 'About Us' page of the Space Careers Matchmaker website. The page has a dark blue header with the website name and navigation links for Home, Take Quiz, About Us (which is underlined), FAQ, Login, and language options EN and FR. The main content area features a large image of Earth from space. A central dark blue callout box contains the heading 'About Space Careers Matchmaker' in large blue text, followed by sections titled 'Our Mission' and 'How It Works'. Under 'Our Mission', it says: 'Space Careers Matchmaker is an innovative tool designed to help aspiring space professionals discover their ideal career path at NASA. Through an engaging quiz, we analyze your interests, skills, and passions to match you with the perfect space career.' Under 'How It Works', it says: 'Our intelligent algorithm evaluates your responses to carefully crafted questions about your preferences, technical skills, and career aspirations. We then match you with one of NASA's exciting career paths, from Astrophysicist to Mission Specialist.'

6. FAQ Page

Contains frequently asked questions to help users understand the platform better.
